

CHIOCCARELI Vincenzo

Trainee	Tools n° In/non- integrated	L. skills in-non integrated .	Tool functio ns: basic / advanc ed	Originalit y & creative editing	Commentary on weak points	L.P. mark	L.O. mark	Final mark
CHIOCCARELLI V.	2 Ppt, video clip	Listen, read	Ppt & video advance d	Ppt X Video ✓	The ppt is too focused on listening & watching activities thus making this activity sound too passive; the lesson plan is too basic and not enough accurate. Overall evaluation: the visual level is well done although both ppt & L.P. could be further improved in terms of their content.	24	28	27
